A Holiday Message from the Thoroughbreds

I have had the pleasure of serving the membership of *The Thoroughbred Chorus* as their president for the past three years. Now, as my term comes to a close, I look forward to the presentation of our 53rd Annual Holiday Show. *The Thoroughbred* family consists of nearly 100 men who work very hard for one reason and one reason only - the pleasure of the audience for whom they have the privilege of performing.

We do not often have the opportunity to "talk" to our fans, so I would like to take this time to tell you a little bit about our organization. First and foremost, we are a group of men from all walks of life who are joined by our love for singing. We have doctors and lawyers, barbers, truck drivers, republicans, democrats, retired men and high school students. Each one spends hours learning their parts, practicing their craft, and generating the emotional involvement in the song that is required to evoke your emotional response.

The Thoroughbreds are entirely voluntary and self-sufficient. We raise the money we need to function through shows like this one, the sale of recordings (be sure to see our sale table in the lobby), paid shows for organizations, and of course, member dues. We are fortunate to have additional support from the city of Jeffersontown, the location of the Jim Miller Hall, home of *The Thoroughbreds*. This support is most appreciated.

As we approach the holidays, we have a tremendous amount to be thankful for. You, our friends, family members and fans are right at the top of our list. Without you, and your tremendous support, we could not have filled this hall with music for more than half a century. We hope you will continue to be with us for an additional fifty.

We wish you all a very Happy Holiday and New Year!

Best personal regards,
Larry Pizer

THE MASTER'S MEN

SOUTHEAST CHRISTIAN CHURCH

MELANIE R. WOOD, DIRECTOR

Bring together one hundred Christian Men who share a profound love of music and an irrepressible joy in their Christian walk, and something exciting is just bound to happen.

These talented, dedicated individuals sing for joy from a repertoire that includes hymn arrangements, spirituals, contemporary Christian music, classical, traditional, popular and patriotic selections.

The Master's Men sing monthly for worship services and special occasions at Southeast Christian Church. They have shared their music with churches in surrounding states, at five North American Christian Conventions and national conventions for both the Veterans of World War I and the Veterans of Foreign Wars. They also performed for the World War II U. S. Air Force Bombers national convention.

The Master's Men has gained recognition throughout the community for their patriotic programs. They have sung with The Louisville Orchestra on numerous occasions including performances with Sandi Patti. They have also performed at various civic functions including the recent Governor's Inauguration.

Melanie Wood is the director and musical arranger for The Master's Men. The first rehearsal was held in January 1980 with twelve members present and has grown to over one hundred members.

Melanie Wood retired as the music specialist for the Jefferson County Public Schools. She is active in the Kentucky Music Educators Association and served as president of that organization from 1991-1993.

Mary Helen Vaughn, a retired music teacher, serves as pianist.

From The Music Director

As the Music Director I am especially proud of our Thoroughbreds this year. They are accepting ever-higher standards of commitment and talent in their pursuit of musical excellence. I hope you will agree that the Thoroughbreds are making noticeably better music, even while we continue to flash the electric spark of enthusiasm, which is our trademark.

In this busy era, I am grateful that our music still demonstrates value, which attracts men who like to sing. Even though our singers volunteer their time, they understand that your ticket and advertising monies go a long way to help pay for costumes, coaching and travel. We are honored that you choose to start your holiday season with us each year, and for that reason, we place special emphasis on our preparation for the most important Thoroughbred audience of all; you! Thanks for your support, your encouragement, and most of all, for your applause.

As a part of our Thoroughbred family, here's what you can do to help us perform better next December. Just keep an "ear" open for that fellow you know who can really sing and send him our way. We'll audition him, befriend him and teach him how to sing like a champion! Just ask him to call us at 267-SING today!

Thanks for all you do and Happy Holidays from

Allen Hatton

DERBY CITY CHORUS

Derby City Chorus, Louisville's premiere women's a cappella chorus is once again honored to share the stage as the guests of the Thoroughbred Chorus. This event is very special to us and we join the Thoroughbreds to wish each of you a joyous holiday season. We pray for peace in our nation and around the world this holiday season. Our thoughts and prayers are for those who lost loved ones on September 11th and overseas as we fight for freedom. May God bless America.

Our Ladies have set a fast pace over the last several years. We were the reigning 2000 International Champion Chorus for Harmony, Inc. and have just returned from London, Ontario, Canada representing Louisville. During the convention we conducted a Masters Class for the organization as well as performed for the convention. We were also honored to be the 1998-99 International Champion Chorus. We are looking forward to taking the competition stage again in 2002. Derby City also has four outstanding quartets. These quartets perform locally as well as compete regionally and internationally. Diamond Girls Quartet is the 2001 Second Place International Medalist Quartet for Harmony, Inc. Sapphire Blues Quartet was awarded the Novice Quartet Award in their first International appearance. We are so proud of these ladies and their hard work.

Derby City has released two professional recordings, "The Spirit of Christmas" and "A Capella Celebration". Our repertoire includes standards from the 20's and 30's, oldies of the 40's and 50's, as well as popular songs of today. Both have received excellent reviews and we would be thrilled if you added them to your collection.

We are always interested in ladies who love to sing. Our ladies hail from Jefferson County, Oldham County, Shelby County, Hardin County, and Indiana. Our director, Allen Hatton, has been principal director for Derby City since it was founded in 1982. Mr. Hatton emphasizes individual excellence. The development of each singer's vocal ability, stage presence, musical expression, and self-confidence make our chorus something special. We would love to have anyone interested to come and visit. Let us show you how much fun we have in our quest to share our music with others. We perform regionally for businesses, charities, churches, fairs, clubs, nursing homes, and schools. Stop any one of us and ask us about Derby City. Our email address is psdorsey@worldnet.att.net.

We hope you enjoy the show and thank you so much for coming. May this be a grand start to your holiday celebrations. We are very proud to be a part of bringing "Hallelujah Holiday" to you.
